

SPORT XL

The SPORT XL is the most dynamic model of our Scooters. Equipped with 4 wheels (200 mm front and 260 mm rear wheels), it is the perfect companion for daily use as well as leisure and travels.

Due to the compact and comfortable design with extra leg room, suspended and rotating seat, as well as the ability to be dismantled in 3 parts (none of which weigh more than 12 kg), the SPORT XL convinces in every aspect.
